

## Downtown Community Ministry

Dear Friend,

*Thank you for your interest in becoming a Volunteer with Downtown Community Ministry!*

Downtown Community Ministry was born from people with a passion to make this world a better place and Volunteers are integral to it. We are very grateful for the many ways they support and sustain the ongoing work of DCM.

We have developed a simple way for volunteers to match their skills and availability with the events and activities of DCM. I've attached a list of the various volunteer jobs available and helpful descriptions of them. These descriptions change from time to time, but, I hope they will assist you find a role with us where you are passionate about contributing. Also attached is an application form so we can get to know you a bit more and gather all the necessary information we need to proceed further. Please feel free to include a current curriculum vitae.

Please return the application in the freepost envelope provided or drop it in to our offices at your leisure. We'll let you know as soon as we can what we are able to offer you.

Should your application be successful, you will be required to sign a volunteer agreement which lays out the relationship between us both. It's also an opportunity for DCM to show how we plan to support you as a Volunteer.

I look forward to receiving your application form. Volunteer applications may take some time to process, so it may be a couple of weeks before you hear back from us. I appreciate your patience in this respect. If you have any queries please feel free to call me on (04) 385 5608.

Thank you.

Yours sincerely
